## IN THE SENATE OF THE UNITED STATES

MARCH 25, 2021

Ms. KLOBUCHAR (for herself and Mr. BRAUN) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

---

## A BILL

To amend the Public Health Service Act to authorize grants for acquiring equipment and supplies capable of performing same-day clinical laboratory testing in a point-of-care setting, and to assist laboratories in meeting the cost of acquiring high-throughput equipment, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1   **SECTION 1. SHORT TITLE.**

2       This Act may be cited as the “Access to Technology  
3   and Equipment for Same-day Tests (TESTs) Act” or the  
4   “Access to TESTs Act”.

5   **SEC. 2. GRANTS FOR SAME-DAY POINT-OF-CARE TESTING**

6                   **IN COMMUNITIES.**

7       Section 2821 of the Public Health Service Act (42  
8   U.S.C. 300hh–31) is amended—

9                   (1) by redesignating subsection (b) as sub-  
10          section (d); and

11                  (2) by inserting after subsection (a) the fol-  
12          lowing new subsection:

13                  “(b) GRANTS FOR SAME-DAY POINT-OF-CARE TEST-  
14          ING IN COMMUNITIES.—

15                  “(1) GRANTS.—The Secretary, acting through  
16          the Director of the Centers for Disease Control and  
17          Prevention, shall award grants to eligible entities to  
18          assist such entities in acquiring legally marketed  
19          same-day point-of care tests (as defined by the Di-  
20          rector), equipment, and supplies, including molec-  
21          ular, serological, and antigen tests.

22                  “(2) ELIGIBILITY.—To be eligible for a grant  
23          under paragraph (1), an entity shall—

24                  “(A) be—

25                  “(i) a hospital;

26                  “(ii) a primary care facility;

1                         “(iii) a clinic;  
2                         “(iv) a physician; or  
3                         “(v) another type health care provider  
4                         as the Secretary may define;  
5                         “(B) be qualified to have the same-day  
6                         point-of-care testing performed at the entity as  
7                         a result of operating under a Certificate of  
8                         Waiver, Certificate of Compliance, or Certificate  
9                         of Accreditation, under section 353; and  
10                        “(C) submit to the Secretary an applica-  
11                         tion at such time, in such manner, and con-  
12                         taining such information as the Secretary may  
13                         reasonably require.

14                        “(3) USE OF FUNDS.—Amounts received  
15                         through a grant under this subsection shall be used  
16                         to purchase legally marketed same-day point-of-care  
17                         testing and materials as are necessary to administer,  
18                         store, and process such tests.

19                        “(4) AMOUNT OF GRANT.—The amount of a  
20                         grant under paragraph (1) may not exceed \$20,000.

21                        “(5) PRIORITY IN MAKING AWARDS.—In award-  
22                         ing grants under paragraph (1), the Secretary shall  
23                         give priority first to eligible entities providing serv-  
24                         ices to underserved populations in rural areas and  
25                         then to eligible entities providing services to medi-

1       ecally underserved populations (as defined in section  
2       330(b)(3)) in rural areas. The Secretary may then  
3       award such grants to eligible entities serving all  
4       other areas.”.

**5 SEC. 3. GRANTS FOR LABORATORIES TO ACQUIRE HIGH-**

**6                   THROUGHPUT DIAGNOSTIC EQUIPMENT.**

7 Section 2821 of the Public Health Service Act (42  
8 U.S.C. 300hh–31) is amended by inserting after sub-  
9 section (b) (as added by section 2), the following new sub-  
10 section:

11        "(c) GRANTS FOR LABORATORIES TO ACQUIRE  
12 HIGH-THROUGHPUT DIAGNOSTIC EQUIPMENT.—

13       “(1) GRANTS.—The Secretary, acting through  
14       the Director of the Centers for Disease Control and  
15       Prevention, shall award grants to eligible entities to  
16       assist such entities in purchasing high-throughput  
17       diagnostic equipment and related supplies.

18       “(2) ELIGIBILITY.—To be eligible for a grant  
19       under paragraph (1), an entity shall—

20 "A) be—

“(i) a State, local, or Tribal public health laboratory;

1                   managed by the Centers for Disease Con-  
2                   trol and Prevention; or

3                   “(iii) a consortium of 2 or more enti-  
4                   ties described in any of clauses (i) and (ii);  
5                   and

6                   “(B) submit to the Secretary an applica-  
7                   tion at such time, in such manner, and con-  
8                   taining such information as the Secretary may  
9                   reasonably require.

10                  “(3) USE OF FUNDS.—Amounts received  
11                  through a grant under this subsection shall be used  
12                  to purchase high-throughput diagnostic equipment  
13                  and such materials as are necessary to administer,  
14                  store, and process such tests.

15                  “(4) AMOUNT OF GRANT.—The amount of a  
16                  grant under paragraph (1) may not exceed  
17                  \$2,000,000, except in the case of eligible entity de-  
18                  scribed in paragraph (2)(A)(iv).

19                  “(5) HIGH-THROUGHPUT DIAGNOSTIC EQUIP-  
20                  MENT DEFINED.—In this subsection, the term ‘high-  
21                  throughput diagnostic equipment’ means legally  
22                  marketed equipment and supplies capable of per-  
23                  forming multichannel analysis for use in clinical lab-  
24                  oratory testing, including diagnostic, serological, and  
25                  antigen tests.”.

1   **SEC. 4. AUTHORIZATION OF APPROPRIATIONS.**

2       Section 2821(d) of the Public Health Service Act (42  
3   U.S.C. 300hh–31) (as so redesignated by section 2) is  
4   amended—

5           (1) by redesignating paragraphs (1), (2), and  
6           (3) as subparagraphs (A), (B), and (C), respectively,  
7           and moving the margin of each such redesignated  
8           subparagraph 2 ems to the right;

9           (2) by striking “There are authorized to be ap-  
10          propriated to carry out this section” and inserting  
11          the following:

12           “(1) IN GENERAL.—There are authorized to be  
13          appropriated to carry out subsection (a)”;  
14          and

15           (3) by adding at the end, the following new  
16          paragraph:

17           “(2) AUTHORIZATION OF APPROPRIATIONS.—

18           “(A) TESTING GRANTS.—For the purpose  
19          of carrying out subsection (b), there is author-  
20          ized to be appropriated \$500,000,000 for fiscal  
21          year 2021, to remain available until expended.

22           “(B) EQUIPMENT GRANTS.—For the pur-  
23          pose of carrying out subsection (c), there is au-  
24          thorized to be appropriated \$250,000,000 for  
25          fiscal year 2021, to remain available until ex-  
            pended.

1           “(C) ADMINISTRATIVE EXPENSES.—Of the  
2           amount made available to carry out subsection  
3           (b) or (c) for any fiscal year, the Secretary may  
4           not use more than 5 percent of such amount for  
5           the expenses of administering this section.”.
